Data for this report were extracted from the CrimeView geocoded dataset of Tiburon Incident Reports. The data have NOT been re-classified according to UCR guidelines; re-classification WILL change the total number of incidents. Incident types titled arrest, arrest on warrant, traffic arrest, DWI arrest, and juvenile arrest may not be the only arrests made in this area. Other incident types may also result in arrests. Addresses have been generalized for locations in which sex offenses occurred, as these offense locations are not public record.

Total: 202 Reports (Prior to UCR Re-classification)
